## TOWN OF CLERMONT

***Warning: Any person entering the premises waives all civil liability against this premises owner and operator for any injuries caused by the inherent risk associated with contracting COVID-19 at public gatherings, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the individual or entity of the premises.***

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. **COVID-19 is extremely contagious** and is believed to spread mainly from person-to-person contact and high contact surfaces. As a result, federal, state, and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of large groups and people.

**The Town of Clermont** has put in place reasonable preventative measures to mitigate the spread of COVID19; however, the Town **cannot guarantee** that anyone you are legally responsible for or yourself will not become infected with COVID-19 by utilization of or entering a Town facility.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that those I am legally responsible for and myself may be exposed to or infected by COVID-19 by utilization of or entering Town facilities and that such exposure or infection may result in personal injury, illness, permanent disability, and death, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the Town being the entity of the premises. I understand that the risk of becoming exposed to or infected by COVID-19 by utilization of or entering Town facilities may result from the actions, omissions, or negligence of myself and others, including but not limited to Town employees, volunteers, and program participants and their families, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the Town being the entity of the premises.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to those I am legally responsible for and myself, including, but not limited to, personal injury, disability, death, illness, damage, loss, claim, liability, or expense of any kind, that I or the party I am responsible for may experience or incur in connection with mine or his/her participation in Town activities or utilization of Town facilities, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the Town being the entity of the premises. On my behalf and on behalf of those I am legally responsible for, I hereby release, covenant not to sue, discharge, and hold harmless and indemnify the Town, its employees, agents, and representatives, of and from any and all claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the Town being the entity of the premises. I understand and agree that this release includes any claims based on the actions, omissions, or negligence of the Town, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during, or after utilization of a Town facility, except for gross negligence, willful or wanton misconduct, reckless infliction of harm, or intentional infliction of harm, by the Town being the entity of the premises.

I further agree to take all steps necessary to comply with the Executive and Emergency Orders issued by the Federal Government, the State of Georgia, and the Town of Clermont.
