REPORT: PLANNING AND ZONING: The Mayor and Council reviewed this report.

BALLFIELD LEASE: Town Clerk Amy Lomax asked the Council if anyone had any changes or additions to the annual lease with the North Hall Jr. Trojan baseball organization or Next Level Sports. The Council had no additions or changes for the upcoming annual lease. Brent Braham and James Campell, with North Hall Jr. Trojans, addressed the Council and said that they have been working on the scoreboard currently on the field and have been unable to get it to work. They have had the opportunity to get the old North Hall Softball field scoreboard donated. They would like to ask the Council to approve using it to replace the one currently on the field. The organization would be responsible for doing all the work to replace the scoreboard and would use certified electricians to do the electrical work. The Mayor asked if the scoreboard would be donated to the Town. They responded that once the scoreboard was put up, it would stay. The Mayor asked the Council if anyone had any issue with replacing the scoreboard with the donated one. The Council said that they had no problem with it.

CLERMONT DAYS 2023: Amy Lomax gave an update on the upcoming Clermont Days Festival this month. The planning is going well; this year, we have over one hundred vendors and a record number of sponsors. We have received enough sponsorship money to cover the fireworks and entertainment. The use of flowers, pumpkins, and cornstalks for decorations has all been donated again for this year.

PROJECT UPDATES: There were no project updates.

ADJOURN: James Castleberry motioned to adjourn at 7:15 p.m. John Brady seconded the motion, and all Council members present voted in favor. Motion passed.
